## BLUE CASING PIPE BOREWELL SOLUTION

Padmavati Life Long Blue casing pipes offer superior performance at competitive price and has become the right choice of our customers.

Padmavati Blue Casing Pipes are deal for domestic, irrigation, industrial, public and mining wells.

### Plain Pipes/Screen Pipes

These pipes may be plain or screen. Screen Pipes have transverse slots. They are of three types: -

- Casing Shallow (C.S)- Suitable for wells with depth up to 80mtrs
- Casing Medium (C.M)- Suitable for wells with depths up to 250mtrs
- Casing Deep (C.D.)- Suitable for wells with depth up to 450mtrs

### Ribbed screen Pipes

These pipes have longitudinal ribs with transverse slots. They keep granulated soil away from the slots, and increase the permeability rating to more than double as compared to plain screen pipes.

### Product Range

1½" (40mm) to 10" (250mm) nominal diameter

## **SWR PIPING SOLUTION**
